National Performing Arts Championship

2019 United States Acrobatic & Dance Team Selections

Introduction

The United States Dance Team was formed to allow select competitors a unique opportunity to showcase their talents publicly through high profile performances booked by USTD. The first US Dance Team was formed in 2003 and to date, we measure the success of the program not by their performances, but rather, the bonds that have been built by past, present, and current US Dance Team Members. Assembling a team of dancers from different studios, regions, and backgrounds, and providing them an opportunity to work together as a team has helped to maintain a sense of respect and friendship for one another while on the competition circuit and beyond. It has also provided them with a glimpse of what life is like in the commercial dance world, working with different choreographers and dancers to produce an audience worthy performance in a relatively short period of time. We wish all candidates the best of luck!

Selection Process for the “United States Acrobatic & Dance Team”

Candidates for the United States Acrobatic & Dance Team will be selected by US Team Scouts AT ALL WORKSHOP CLASSES (See Workshop Schedule for Dates & Times - fees apply).

The Workshop Classes will serve as team auditions and will provide USTD scouts the opportunity to observe the dancers in a non-competitive setting. Scouts will be seeking out those dancers that have the ability to pick up choreography quickly, demonstrate technique, skill, and showmanship qualities, and are attentive and respectful in class.

There will be 30+ competitors scouted and selected from the Junior Division Classes and 30+ competitors scouted and selected from the Senior Division Classes. Additionally, we will be scouting and selecting an undetermined number of “Mini” competitors (ages 8 & under as of January 1st, 2019) from the “Mini” Class (Mini's will be permitted to take all Junior classes, however, they will only be scouted for the team in the Mini Class), as well as an undetermined number of acrobats who will be scouted and selected from the Acrobatic Class scheduled for Thursday, July 18th. Please refer to complete schedule for class times and team announcements. If there are studio director's and/or teachers who do not wish to have their students considered for the Team, please advise USTD offices prior to the start of the competition. (International competitors WILL be considered for the Team if applicable). Remember sportsmanship counts!
