The United States Tournament of Dance Inc.
National Performing Arts Championship

Introduction

The United States Dance Team was formed to allow select competitors a unique opportunity to showcase their talents publicly through high profile performances booked by USTD. The first US Dance Team was formed in 2003 and to date, we measure the success of the program not by their performances, but rather, the bonds that have been built by past, present, and current US Dance Team Members. Assembling a team of dancers from different studios, regions, and backgrounds, and providing them an opportunity to work together as a team has helped to maintain a sense of respect and friendship for one another while on the competition circuit and beyond. It has also provided them with a glimpse of what life is like in the commercial dance world, working with different choreographers and dancers to produce an audience worthy performance in a relatively short period of time. We wish all candidates the best of luck!

Selection Process for the “United States Acrobatic & Dance Team”

Candidates for the United States Acrobatic & Dance Team will be selected by US Team Scouts **AT ALL WORKSHOP CLASSES** (See Workshop Schedule for Dates & Times - fees apply).

The Workshop Classes will serve as team auditions and will provide USTD scouts the opportunity to observe the dancers in a non-competitive setting. Scouts will be seeking out those dancers that have the ability to pick up choreography quickly, demonstrate technique, skill, and showmanship qualities, and are attentive and respectful in class.

There will be 30+ competitors scouted and selected from the Junior Division Classes and 30+ competitors scouted and selected from the Senior Division Classes. **Additionally, we will be scouting and selecting an undetermined number of "Mini" competitors (ages 8 & under as of January 1st, 2019) from the "Mini" Class (Mini's will be permitted to take all Junior classes, however, they will only be scouted for the team in the Mini Class), as well as an undetermined number of acrobats who will be scouted and selected from the Acrobatic Class scheduled for Wednesday, July 14th.** Please refer to complete schedule for class times and team announcements. If there are studio director's and/or teachers who do not wish to have their students considered for the Team, please advise USTD offices prior to the start of the competition. (International competitors WILL be considered for the Team if applicable). Remember sportsmanship counts!

Presents

**The United States Hip Hop & Breaking Championship
Team USA Pre-Trials**

In October of 2019, Sean Flanagan, USTD President and CEO/Captain Team USA Hip Hop, and "Geo" Hubela, Head Coach Team USA Hip Hop, made history by bringing the first American Hip Hop Team to compete in the IDO World Hip Hop Championships in Bremerhaven, Germany. Team USA competed against 3500 dancers from 40 countries and earned highest marks and medal placement in the Solo Freestyle Adult Male Breaking Division.

The 2019 Team was selected at the 2019 USTD National Championships, which served as the first Team USA Hip Hop/Breaking Trial Selections. The Team USA Coaching Staff will host the Official 2022 Team Trials early in the new year with the goal of bringing an even larger team to compete in Graz Austria October 2022.

We are also proud to announce that Team USA Hip Hop and Team USA Breaking have partnered with the AAU to provide even more opportunities to our dancers. Those who are selected for the 2022 Team and register with the AAU, will also be invited to compete in the US Junior Olympics in Utah June 2022!

This year's US Hip Hop & Breaking Championship at USTD Nationals will serve as a Pre-Trial and Orientation to Team USA and will feature both USTD Junior & Senior Hip Hop Routines and Awards as well as Classes, Informational Session, Freestyle Rounds and Breaking Battles!

***Be sure to join us in the Crown Ballroom at 8:00 pm on Wednesday for the 2021 US Hip Hop and Breaking Championship Pre-Trials and Awards Ceremony!**
